

Newsletter: 9

10th November 2017

Headteacher's Message

This time of year gets really busy, so make sure that you read your newsletter regularly to keep up to date with the upcoming events. The weather is turning colder and the evenings are so dark. We must be heading towards that special time of year...

Breakfast Club and Afterschool Club

Thank you to all of the families that have supported the school with the changes to our Breakfast Club and Afterschool Club. We would welcome your feedback about the changes we have made and we would like your suggestions about future changes we could make.

Water Bottles

Last week, your child was given their own water bottle for the classroom. Please take them home and wash them regularly, but remember to return them to school. It is important that children drink water throughout the day and the safest way to do this is with a clean water bottle.

School Uniform

Ties and **black school shoes** are part of the school uniform. Please make sure that all children are wearing the full school uniform. Trainers are not acceptable footwear for school. Wearing the full school uniform helps to build a positive attitude to learning.

PE Kits

All children need to bring a PE kit to school. PE is part of the National Curriculum and is an essential part of growth and development. Children will not be able to take part. It is unsafe for children to participate in some activities without a full PE Kit. Please make sure your child has a full, labelled PE kit in a named bag, we don't want any child to miss out!

Best wishes

Mrs Sarah Cullen
Headteacher
