

PARNWELL NEWS

Message from the Head teacher:

Children have been working very hard this term and I have been impressed by all the learning I see taking place in the classrooms. I am also very proud to see lots of the children receiving our Values Certificate because they have displayed behaviour which reflects our school values. Keep up the good work everyone. Next week our Year 6 children are very excited to be going on their residential trip to Grafham Water near Huntingdon where they will get to take part in many water based activities. Those children unable to go will have the opportunity to work with Key Sports, taking part in different sporting activities at school. Finally, I am very pleased to announce that Miss McCartney, our Deputy Head, has welcomed a beautiful little girl into the world. I'm sure you will all join me in congratulating Miss McCartney on her new arrival.

Peterborough Phantoms

Peterborough Phantoms ice hockey team will be visiting Parnwell on 10 February to talk to the children about the importance of sport and why we should all participate in exercise.

Year 1 Phonics Workshops

At the end of year 1, all children are required to take part in a national phonics screening test. Miss Woolhouse will be offering parents the opportunity to attend phonics workshops over the coming weeks, which will help parents to support their child's phonics learning at home.

Bikeability:

On the 7 February we welcome the company Bikeability to our school. They will be teaching 15 of our pupils how to ride a bike. Good luck everyone!
