### **Headteacher's Message**

Welcome back! I hope you all had a fabulous half term. We have returned to another busy week. The children are working hard and it is lovely to see so much progress in their books. This half term is going to be busy and exciting as we build up towards Christmas. Read your newsletter regularly to keep up to date with the upcoming events.

### **Breakfast Club and Afterschool Club**

Thank you to all of the families that have supported the school with the changes to our Breakfast Club and Afterschool Club. We are committed to providing the best possible facilities for our children and this is so much easier when we can plan and organise in advance. Please see our office if you have any questions.

### **Firework Fun**

Please remember to say safe. Formally arranged firework events are much safer than setting off your own fireworks. Please remember to be careful – even with sparklers.

### **Water Bottles**

This week, your child has been given their own water bottle for the classroom. Please take them home and wash them regularly, but remember to return them to school. It is important that children drink water throughout the day and the safest way to do this is with a clean water bottle.

Best wishes

Mrs Sarah Cullen  
Headteacher
