13th October 2017

Headteacher's Message

Next week is going to be very busy for everyone. I hope you have made your appointment for parents evening, we are looking forward to seeing you all. I am so excited by the huge progress that your children have made over the half term.

Drinking Water

Children must bring a named water bottle to school which must only be filled with water. It is much more hygienic if your child has their own bottle, rather than sharing cups in the classroom. The school will be providing new water bottles for every child as soon as possible.

Public Consultation

For 3 – 7pm on 18th October you will be able to come into the school hall and have a look at the plans for our new building. I will be available and the designers, architects and Peterborough Local Authority representatives will also be there to discuss the plans and answer any questions you may have. We look forward to seeing you all and sharing our exciting plans for the future of Lime Academy Parnwell.

Harvest Assembly

Harvest assembly will take place on 17th October. We would like to collect dried and tinned foods for the elderly and homeless in Peterborough. Please could all food donations be in school by Monday 16th October so that each class can create a display for assembly. Thank you for your support.

Class Assembly

Every Thursday we hold a class assembly. There has been some confusion about whether parents are able to attend. I apologise for this. I can now clarify that parents and carers are welcome to attend their child's class assembly. However, with all the children in the hall, it is not possible to accommodate additional family members. We will send out a list of dates for the class assemblies as soon as possible.

Mrs Sarah Cullen
Headteacher
