

PARNWELL NEWS

Message from the Head teacher:

This week I was very proud to see a number of Year 5 children taking part in a Bikeability scheme, which teaches children how to cycle safely. The children were a credit to the school as they cycled around the local area and I am thrilled they all passed the 3-day course and were awarded with a certificate.

I would like to thank all the children for their hard work during this half term and I hope you all have a well-deserved break next week. We have lots to look forward when we come back and I am particularly excited to see all the children and staff costumes for world book day on the 7th March.

Young Writers:

Young Writers is a company that encourages children to engage in creative writing by offering nationwide competitions for schools to take part in. This year, we took part in their competition and challenged our students to write a short piece of creative writing. We are very proud with the quality of work from all those children who took part and are absolutely delighted to learn that some pieces of work have been selected for publication.

Letters have been sent home to parents/carers of those children who took part. If your child has been selected for publication, can you please return the permission form to Young Writers before the 22nd February 2019 to ensure your child's piece of writing is included in the book.

City of Peterborough Swimming Club:

If your child currently swims at stage 5 or above, then the City of Peterborough Swimming Club is offering a free trial session on Monday 11 March at the Regional Pool and Fitness Centre. This is for children who are interested in taking the next step into the sport or want to swim more because they enjoy it. To secure your place, please email Jo.waller@copsclub.co.uk

Attendance Congratulations

Classes with 96% and above

5KT and 6TM

Celebrating Punctuality

Lowest number of late marks

KS1 – 1SP

KS2 – 5KT and 5LD
