## Message from the Head teacher:

We've had another busy week at school. Year 2 had a lovely time on their trip to Burghley House where they learnt all about growing plants. They also told me how much fun they'd had playing in the gardens of surprise, getting wet amongst all the water fountains. All the children were very well behaved, polite and a real credit to the school.

Staff also had a lot of fun taking part in a Parnwell netball match on Wednesday. This was a great opportunity for staff to role model the importance of being active and also how to be a great team player.

Finally, I have been monitoring the figures for pupils being late to school, and whilst we have made a big improvement on last week's lateness, I know we can do better. Come on Parnwell, let's all get to school on time next week.

**Urgent Update - We continue to ask residents to be vigilant and call 999 if they see any suspicious activity around the school.**

## Leave of absence:

Once your child is registered at school, you are legally responsible for making sure they attend regularly. If your child fails to attend and there are no exceptional circumstances for an absence, you are at risk of being issued with a penalty notice or being prosecuted in court. Only the school can authorise absences.

If you know your child is going to be absent, you must notify the school in advance (at least 2 days) with full details by completing the school's leave of absence request form. The school will then consider the request. If you choose to take your child out of school for a holiday or any other leave of absence without permission from school, it will be recorded as a period of unauthorised absence. This means that you may be issued a penalty fine. More information is available in our school [attendance policy](#) and at <https://www.peterborough.gov.uk/residents/schools-and-education/attendance/>
