

# PARNWELL NEWS

## Message from the Head teacher:

Please can all adults remember to socially distance and wear a mask when dropping off and collecting children from the school. I also remind parents/carers to please park respectfully. The road outside the school needs to be clear so that we provide a safe space for pedestrians, but also so that emergency vehicles can access the school. Please find somewhere safe and legal to park. The school and local police will continue to monitor this situation.

## Secondary School Applications

Parents of Year 6 children are now able to apply online for Secondary School places for September 2021. This can be done at the website [www.peterborough.gov.uk/admissions](http://www.peterborough.gov.uk/admissions). The deadline to apply is 31 October 2020. Most secondary schools are offering Virtual Open Evenings which can be found on their websites or on social media.

## In the Classroom

Reception had a lovely time investigating a 'break in' crime scene. The children discovered that someone had made a big mess in their outdoor area. Porridge had been eaten, a chair broken and the bed had been slept in. The children had to use their detective skills and find clues to solve the mystery. They worked super hard and discovered that it was Goldilocks! The children have made wanted posters to ask for your help to find Goldilocks, so parents, please keep an eye out!

Year 2 have been reading The 'Hodgeheg' by Dick King-Smith, a book about a determined hedgehog who uses detective work to find out how to cross the road safely to reach a beautiful park. Using the book as inspiration, the children have been writing about hedgehogs, and using their detective skills to find out where hedgehogs live and what they eat.

## Parent Consultations:

Appointments for parent consultations will take place week commencing the 9 November. Appointments will be available to book on ParentMail shortly.
