

Monday 18th January	
Maths	<p>Multiplication: Starting out – This lesson is a really good way to understand exactly what we are doing when we are multiplying. If you find multiplication a bit tricky, this will be an excellent lesson for you. Even if you find multiplication not so tricky, I think there are some really good points in this lesson.</p> <p>https://classroom.thenational.academy/lessons/using-bar-models-to-represent-known-times-tables-6tj62e</p> <p>Feeling more confident: This lesson gives some good ideas for using mental methods for multiplication.</p> <p>https://classroom.thenational.academy/lessons/multiply-2-digit-numbers-by-6-using-the-partitioning-method-ccvkar</p> <p>I'm confident with multiplication: Long multiplication</p> <p>https://classroom.thenational.academy/lessons/long-multiplication-68u38t</p> <p>See the Class Dojo for other videos and activities.</p>
