

PARNWELL NEWS

Message from the Head teacher:

We have had another great week at Lime Academy Parnwell. All classes have had an experience of looking after our newly born chicks for part of the day, which has been a fantastic experience and led to some amazing writing being produced by our children.

The new resources at lunchtime have been a real success and it is lovely to see the vast majority of children playing with these respectfully and appropriately. Please could you remind your child(ren) of our expectations to make sure the resources can be enjoyed by everyone.

This week, we also had a visit from one of our Governors and it was a pleasure to talk about and show her around our school - the visit was very positive.

There has been an increase in a small number of children bringing toys into school, please can we request that these remain at home to prevent them from being lost / taken or mis-used in school.

May I also take this opportunity to remind children about the Worry Box in their classroom and that teachers will be reminding them how and why to use this next week. The Worry Boxes have been really effective in enabling us to help children before their worry is magnified.

We hope you have a restful weekend, ready for the last week in school before the half-term break.

Mr Stafford

Worry Boxes

We would like to remind children that if they have any worries, they can use the Worry Box (Years 1-6) or Worry Monsters (Reception) as another way for them to raise any worries they may have. To use it, a child would write or draw their worry on a piece of paper and place it in the Worry Box. Teachers will be reminding children regularly where the Worry Box is in their classroom and the purpose of it.
