

## Message from the Headteacher:

Dear Parents/Carers,

It has been a chilly end to the term but we've now made it to the Easter break. It has been a lovely week in school with lots of activities taking place. Rock Steady concerts have been successful this morning and a huge thank you to parents for supporting this event. We are very hopeful to be able to invite parents into the building more across the summer term.

Year 5 have showcased their excellent games that they created using iPads with support from Richard Poth from Jigsaw 24. They have worked incredibly hard on these and enjoyed sharing them with both year 4 and 6.

The school disco was attended by 234 children last night and was enjoyed by all. Thank you for your support with them.

From today, the Lime Trust has a new Chief Executive Officer (CEO) and her name is Kirsten Jowett. I am sure that we she will be visiting our school in the next term and beginning to get to know us.

We are having several areas of school refurbished over the Easter break, so contractors will be busily working over the holidays. We look forward to sharing the finished results with you after the holiday.

Have a restful, safe and enjoyable Easter break and we look forward to welcoming all children back to school on Tuesday 19<sup>th</sup> April, when we will be hosting our pupil Easter Egg Hunt challenge.

Mr Ben Newstead  
Headteacher

## Summer term starts on 19<sup>th</sup> April

We welcome all children back to school on Tuesday 19<sup>th</sup> April for the start of the summer term. This is a four-day school week due to Monday 18<sup>th</sup> April being a bank holiday for Easter weekend.

**Privacy Notice:** Lime Trust takes the privacy of pupils/parents data very seriously, therefore we would just like to remind parents that you can view/read our privacy notices on the [Trust](#) website.

## Attendance Congratulations

## Best Attending Class

Our best attending class for the spring term is **2SN** who have all received stickers and attendance pencils today. Well done for your great efforts!

## School Disco

The school disco was a great success last night and all children (and staff) enjoyed dancing the night away. A huge thank you to Mark from M&N Entertainments for being our DJ and for getting everyone involved.

## Safer parking at the school gates

We understand that driving children to school is seen as a convenient choice and we realise that there are some parents/carers who have no alternative but to drive their children to school. However, this has led to an increase in vehicle traffic and congestion particularly at the school gates. This means we all have to be extra vigilant in keeping our families safe around streets and roads.

What can you do to help keep everyone safe around the school?

Please don't:

- Block the road - emergency vehicles and other traffic may need access
- Park on yellow lines, zig-zags or block the school entrance

- Park on the pavement, across dropped curbs or residents' driveways
- Park opposite or within 10 meters of a junction
- Park where you will cause inconvenience to other road users
- Leave your vehicle with the engine still running
- Stop in the middle of the road to drop your child off, even for a few seconds.

These changes make a real difference to the congestion around school, making the school run less stressful and far safer for everyone.

## Dinner menu

On the week commencing, 19<sup>th</sup> April, we start week 3 of the Dinner Menu. [School Dinner Menu](#)

Children are able to choose to have a school dinner each morning when the register is taken.
