

Special Educational Needs Information Report

Date: **September 2022**

Review date: **September 2023**

The guide to our provision for children with Special Educational Needs at Lime Academy Parnwell

What are the kinds of special educational needs for which provision is made at Lime Academy Parnwell?

Lime Academy Parnwell is a mainstream primary school, we cater for children aged 4 - 11 years. The National Curriculum is followed and appropriately paced and differentiated.

Lime Academy Parnwell is a school within the Lime Trust.

Currently 12% of the pupils on roll are on the SEND register with the following categories of needs:

- Cognition and learning
- Communication and interaction
- Social, emotional and mental health needs
- Physical and/or sensory

Admissions to the school are managed by the school, Lime Academy Parnwell.

Identification of SEND at our School

How do we identify that a child has a special educational need?

- Information from your child's pre-school or present school.
- Reports from Professionals.
- Parent/Carer concerns.
- Assessments carried out within the school setting.
- Observations of the children within school.
- At Lime Academy Parnwell we have a graduated approach to identifying and supporting children with additional needs.

<p>If my child is having difficulty with an area of learning, how will the Academy staff deal with this issue?</p>	<ul style="list-style-type: none">• If you have a concern about your child’s development or an area of learning, you can discuss this with your class teacher, Team Leader, the SENDCo and/or a member of the Senior Leadership Team.• Where a member of staff has a concern about a child’s development or a difficulty, they will discuss the concern with you the parent first. The teacher will complete an ‘initial concern’ form and give it to the SENDCO to begin to help identify what the specific difficulty is. The SENDCO will help support the class teacher to adapt what they do in class to help your child overcome that difficulty by using SEND Strategy Support Sheets. The Initial concerns form is the start of the process to support your child if they are underachieving and need some extra help to get to where they should be for their age or that they may have a Special Educational Need (SEN).• The class teacher and SENDCO will meet with you, the parent, to discuss the issue and tell you what the barrier to learning is and what they are going to try with your child to overcome that barrier.• The process can be summed up by – Assess, Plan, Do, Review. You will be part of this process so you can see how your child is doing and what the staff who work with your child are doing to help close the gap with where your child is and where they should be for their age.• If after one or two cycles of Assess, Plan, Do, Review we all agree that there is an Special educational need, we will discuss this with you and add your child to the SEN register which means we recognise that your child has a global difficulty (across all areas of learning) or a specific difficulty with learning and that we are addressing this through targeted provision from the class teacher or additional support from the teaching assistant. Where necessary external agencies will be used to ensure that the provision is appropriate for your child’s needs and will help them make progress.• The class teacher and the SENDCO will monitor your child’s progress.
--	--

<p>How do we encourage you to raise your concerns?</p>	<ul style="list-style-type: none"> • You can raise concerns at any time about your child by discussing concerns with the class teacher and/or the Special Educational Needs and/or Disabilities Coordinator (SENDCO). • Each term a formal Parent evening takes place when your child's progress and attainment is discussed along with any difficulties they may be having and what we are doing to support your child and meet their needs. • Each term a one-page report is sent home to update you on your child's progress. If there is something that concerns you then you can make an appointment with the class teacher.
<p>Support for your Child</p>	
<p>Who will oversee the education plan for my child and explain it to me and my child?</p>	<ul style="list-style-type: none"> • All children on the SEND register have a plan that is written by the class teacher and this is monitored by the SENDCO. This plan outlines their needs and strategies that are used to meet those needs. This is known as an Assess, Plan Do, Review cycle. These will be shared with you at Parents evening where we ask for your views and we hope that you will talk to us about any concerns or successes at any time through the school year. • Children with an Education, Health and Care plan (EHCP) will have a provision plan to ensure that all the outcomes on the EHC plan are being worked towards becoming achieved. The class teacher ensure the plan is being carried out and the SENDCO will oversee and monitor that this is effective and is having the desired outcome.
<p>Who will be working with my child?</p>	<ul style="list-style-type: none"> • The class teacher is responsible for ensuring your child's needs are met. • Teaching Assistants (directed by the class teacher). • The SENDCO will be monitoring that your child's needs are being met in class and supporting the teacher and the child to achieve their goals. This will be carried out through meetings with you the Parent, the child and the teacher. • If your child has a speech or language difficulty the Speech and Language therapist may be visiting school each half term to review the progress with a specific programme and adapt the programme as your child makes progress.

	<ul style="list-style-type: none"> • Outside agencies who may be offering support to your child may visit to give advice, feedback to the child and the teacher to ensure your child's needs are being met. All outside agencies are accessed through a referral process which requires your consent. • The Autism Advisory Teaching Service offer support to individual teachers who have children with Autism in their class. • The sensory support team also visit each month to support children with visual impairment. • We have support from an Educational Psychologist who works with the SENDCO, teacher and Parents to unpick needs to help improve your child's attainment and progress and well-being.
<p>How does my child know how they are getting on with their learning?</p>	<ul style="list-style-type: none"> • Every day your child will receive written and/or verbal feedback on their learning. Feedback will help to move their learning forward; help demonstrate their understanding further. Marking and feedback is a crucial part for each individual child. Some children may receive oral feedback instead or as well depending on what suits the child.
<p>How will the Academy monitor the effectiveness of its SEND arrangements and provision?</p>	<ul style="list-style-type: none"> • Termly, reviewing the progress the children have made and carrying out Pupil Progress Meetings on a more regular basis. • Through monthly pupil progress meetings, learning walks, observations by the Senior Leadership Team. • Through regular book studies where children have the opportunity to share their learning with subject leaders/specialists. • The school carries out quality assurance in the form of a detailed Audit of provision, training and staffing. This ensures that our SEND practice develops and strives to do the best for all our children to ensure all children make progress from their starting points and their needs are known, understood and met.
<p>What are the roles and responsibilities of our Governors?</p>	<p>The governors fulfil their statutory duties by: -</p> <ul style="list-style-type: none"> • Ensuring a SEND policy reflects the current Code of Practice. • Supporting and challenging the school to ensure the school has an outstanding provision for pupils with SEND needs.

	<ul style="list-style-type: none"> • Ensuring the school reports to parents annually, securing appropriate, targeted resources that have impact on learners which is evidenced. • Oversee the schools funding to ensure the SEN provision meets requirements including the deployment and organisation of personnel and resources.
Curriculum Concerns	
<p>What is Lime Academy Parnwell's approach to differentiation?</p>	<ul style="list-style-type: none"> • Quality First Teaching will be the main focus and from this effective differentiation will enable your child to participate fully in all aspects of learning to make the best possible progress. • Staff plan according to children's needs and requirements in the classroom. • All staff who work with your child in school are aware of your child's requirements. • Staff are able to meet the needs of the children by applying the strategies suggested within the plans.
<p>How is extra support allocated to meet children's needs and requirements?</p>	<p>These needs may be met through:</p> <ul style="list-style-type: none"> • Class teacher planning carefully to meet your child's needs. This may be breaking the learning into smaller chunks or steps, giving your child resources that help explain the task better or make it easier to answer the questions asked. • In class support with short, targeted support from the Teacher or Teaching Assistant. • Pupil progress meetings – interventions are identified each half term to ensure progress is carefully monitored and accelerated where possible to help narrow the gap.

Partnership: Planning, Monitoring and Review

What do we offer at Lime Academy Parnwell, to parents and carers, to discuss progress, plan and review support and share specific approaches and programmes, in addition to the normal reporting arrangements?

- You will meet with the class teacher to discuss your child's progress, review their achievements and targets. Each term the class teacher will write a plan based on their assessments of your child's needs and review this and share this with you. This is known as an APDR – Assess, Plan, Do, Review. Your views and your child's views will be part of this process.
- If your child has an Education, Health and Care plan we will meet formally each year to review the plan, celebrate success and adapt the plan to continually reflect the needs of your child as they grow and change.
- Face to face meetings, telephone conversations and informal discussions will ensure a good partnership between home and school. The class teacher is your first point of contact. The SENDCO is available to meet with you at any time should you have any concerns about your child.

General Support for Wellbeing

How do we offer pastoral, medical and social support to the children at Lime Academy Parnwell?

- Children are supported by the class teacher and the Teaching Assistants within the classroom overseeing the well-being of children on a day-to day basis.
 - The SENDCO oversees the pastoral, medical and social support of all pupils.
 - We liaise with Health professionals to ensure care plans are in place for children with medical needs.
 - Key staff have basic first aid training and key EYFS staff have specific Paediatric First aid training and these members of staff are called upon to support children when necessary.
 - Individual Health Care Plans: Plans are written up with parents/carers for pupils with disabilities or ongoing medical conditions which require medication or reasonable adjustments.
- Other support and intervention:
- Lunchtime and after school clubs.
 - Assemblies.
 - PSHE lessons.
 - School Nursing team.

<p>How do we encourage our children to contribute their views?</p>	<ul style="list-style-type: none"> • Before or during Parents evening we review the APDR (assess, plan, do and review) targets with your child so that we understand that our provision is right and working for each child. • Class teacher discussions. • Termly discussion with the SENDCO in the form of pupil voice.
<p>Specialist Services/ Expertise Available</p>	
<p>Our school accesses the following services</p>	<ul style="list-style-type: none"> • Educational Psychologist Service • Sensory support team – visual and hearing impairments • School Nurse • Speech & Language Therapy Service • Occupational Therapy Service • Child & Adolescent Mental Health Service • Physiotherapy • Specialist teachers
<p>Training</p>	
<p>Staff Qualifications</p>	<ul style="list-style-type: none"> • All teachers have QTS and Honours degrees • The majority of Teaching Assistants are First Aid trained. • There are three members of staff who are Mental Health First Aid trained. • The SENDCo holds the National SENDCO Award.

<p>What training have staff received recently?</p>	<ul style="list-style-type: none"> • Precision Teaching and working memory training by SENDCO. • Reception and Key stage 1 staff have had Read Write Inc training which is an approach to teaching Phonics. • Safeguarding training - September 2022. • Teacher and TA training for specific health needs. • Staff CPD cycle incorporates training for meeting the needs of all learners, refining questioning for pupils with SEND and making reasonable adjustments to ensure all children can succeed. • As part of Pupil Progress meetings books are scrutinised with leaders to ensure that there is consistency in marking and high expectations for all. • Staff across most phases have received Team Teach training. • Teaching Assistants have received Attention Autism training (where necessary). • All staff have had training on Autism from specialist teaching staff within the Trust. • All staff have training from the SENDCO to support your child's needs through their teaching, how to help your child make progress from their starting points. • SENDCO and class teacher have attended training through the Connected Communities Project on attachment and trauma, including emotion coaching. • All teachers have received training from SENDCo on how to identify children with SEND and the procedures that need to be followed. • Teachers and TAs have received Speech and Language training for those children requiring speech and language interventions by accessing webinars provided by the Speech and Language Service.
<p>We plan to undertake the following training/ disability awareness sessions(s).</p>	<ul style="list-style-type: none"> • Training is organised linked to the needs within the school. • All staff have access to an online training platform to further develop their knowledge and understanding through online learning. • Teachers have weekly staff inset linked to the curriculum and other educational concerns.
<p>Accessibility</p>	
<p>We provide the following to ensure that all children/ young people in our school can access all of the activities offered.</p>	<ul style="list-style-type: none"> • The school is wheelchair friendly and ensures that children are able to move around the school. • A lift is available for access to all floors.

	<ul style="list-style-type: none"> • Within the school building we have two large disabled toilets one of which has a shower room and changing facilities. • Teachers and Teaching Assistants take account of a child's individual needs and may support with specific resources, visual aids, etc.
We enable children to access all activities by	<ul style="list-style-type: none"> • Ensuring all of the building and classrooms are accessible to all the children. • Using visuals to support with communication and understanding. • Adults are supportive of the needs of the children. • Pre-planning for trips and visits to ensure children can access learning beyond the classroom. • Where needed, we will devise a risk assessment/safety plan for a child to ensure they are safe and have full access to the curriculum.
We involve parents and carers in the planning by	<ul style="list-style-type: none"> • Transition meetings are held between parents, the current setting, professionals and the school. • Annual Reviews ensure that parents/carers are involved the children's education. • Meeting in person or communicating by telephone. • Parents evenings.
Parents and carers can give their feedback by	<ul style="list-style-type: none"> • Each term attending parent/carers evening. • Parent Questionnaires are given out annually. • Annual Reviews parent/carers views are included. • Teachers are available each day to speak to Parents at the beginning and end of the school day.
Parents/carers can make a complaint by	<ul style="list-style-type: none"> • On the website there is the "Complaints Policy" which informs parents/carers what to do if they have a complaint. They can also request a copy from the school office.
Transitions	
What arrangements help children and their parents to make a successful transfer to Lime Academy Parnwell?	<ul style="list-style-type: none"> • Parents of the children coming into Reception are invited into meetings within school. • Transition meetings are held between pre-school staff, professionals who work with the family, the SENDCO and staff from school. The children are invited to visits to the school before the term begins. • With transition into secondary school parents/carers are invited to meetings at the secondary school and transition meetings are organised between the staff from the secondary school, other professionals and the SENDCO at Lime Academy Parnwell.

How do we prepare children to make their next move?	<ul style="list-style-type: none"> • We have “Move-up” days whereby children go to the new classroom with the new teacher. • Using Social Stories to support transition (where appropriate). • Provide children with a picture of their teacher, other important adults to them and their new classroom to talk about over the holiday period. • With Year 6 a visit to the new school happens in July and staff from the secondary schools come and meet the children but also informally speak to the staff at Lime Academy Parnwell. • Discussion between current and next teacher to ensure good transition – strategies that help your child overcome barriers to learning are discussed.
Resource Allocation	
Our SEND budget is allocated according to	The needs of the children.
Funding is matched to SEND by	The trust oversees budget decisions, and these are shared with governors for their information and comments as part of their monitoring.
Our decision-making process when matching support to need is	Decided by the Senior Leadership Team under the guidance of the SEND staff and supportive teams from the Local Authority and Lime Trust.
Parents/Carers are involved through	The Annual Reviews, Parents evenings, Termly reports.
